## Shell Shellfish

This shellfish has no name  
We simply call him shell  
But he doesn't seem to mind  
As far as I can tell.

For he is not like me  
Because I've got feet and toes  
But he's very different  
He hasn't even got a nose  
The shellfish doesn't care  
To have legs and things like that  
That's probably the reason why  
He's really very fat.

But just because he's different  
Doesn't mean he doesn't want to play  
So let's ask him what he would like to do  
On this beautiful sea blue day.

# Every Student has the same right to participate in the classroom!

We should:

- ♥ Respect our teacher and the other pupils.
- ♥ Do our homework.
- ♥ Be kind, nice and helpful with the others.
- ♥ Learn from our mistakes.
- ♥ Listen to our teacher.
- ♥ Not to make fun of the other children.
- ♥ Raise our hand to speak.
- ♥ Not to make a fuss in the classroom.
- ♥ Not to hit the other children.
- ♥ Try! (do homework, behave well...)

If everybody tries we are going  
to make it

Really Better!!!

Socrollya is a beautiful fish. It has many friends  
all over the sea. I believe it's clever.
